

Join Our Parent Book Club!

Mrs. Hansen would like to invite you to join our parent book club! This year we are going to focus on Dr. Becky Kennedy's book "Good Inside". Dr. Becky has been described as "the millennial parent whisperer" by Times Magazine. This is a book on parenting but, really, it's all about relationships.

Next Meeting: Feb 13th, 2024 at 7pm Chapters 11-14

Come join us even if you haven't read the previous chapters!
